About Measure C

On June 6, 2006, voters in the district’s service area approved Measure C, a $490.8 million general obligation bond measure, which will enable the district to:

- Upgrade electrical, heating, ventilation systems, fire/seismic safety;
- Repair leaky roofs;
- Improve disabled access;
- Repair/expand classrooms for nurses/paramedics;
- Upgrade technology; and
- Repair, construct, acquire, equip buildings, classrooms, libraries, sites, science/computer labs.

The Citizens’ Bond Oversight Committee monitors Measure C expenditures under the rules established by Proposition 39, the Smaller Classes, Safer Schools and Financial Accountability Act, to ensure that all bond funds are spent exactly as promised and to ensure taxpayer safeguards and confidence.

About the District

For more than 50 years, Foothill-De Anza has demonstrated excellence and innovation in academic programs and student services. As one of the largest community college districts in the United States, Foothill-De Anza provides credit classes for more than 45,000 students annually. The colleges are active members of the League for Innovation in the Community College, a national consortium of leading two-year institutions.

Located in the heart of Silicon Valley, Foothill-De Anza serves the communities of Cupertino, Los Altos, Los Altos Hills, Mountain View, Palo Alto, most of Sunnyvale and portions of San Jose, Santa Clara and Saratoga.
Committee Meetings

The Citizens’ Bond Oversight Committee meets on a quarterly basis. All meetings are open to the public.

Upcoming meeting dates include:

- March 2, 2010
- June 8, 2010
- September 14, 2010
- December 7, 2010

Proceedings of the meetings held or scheduled during the 2008-2009 and the 2009-2010 fiscal years include:

**December 8, 2009**
- Review and Approval of 2008-2009 Annual Report
- Review of Agreed-Upon Procedures Report
- Review of Bond List Revisions
- Review of Financial Reports
- Review of Program/Project Activity Reports

**September 15, 2009**
- Measure C Tour of Foothill College Projects
- Appointment of 2008-2009 Annual Report Committee
- Review of Solicitation and Appointment Process
- Review of Furniture / Technology Equipment Procurement
- Review of Bond List Revisions
- Review of Financial Reports
- Review of Program/Project Activity Reports

**June 2, 2009**
- Measure C Tour of De Anza College Projects
- Review of Foothill Athletic Fields
- Review of Bond List Revisions
- Review of Financial Reports
- Review of Construction/Management Operational Review
- Review of Perry-Smith Engagement Letter

**March 3, 2009**
- Review of San Joaquin Delta College Audit
- Election of Chair/Vice-Chair
- Acceptance of 2007-2008 Annual Report
- Review of Bond List Revisions
- Review of Financial Reports

**December 2, 2008**
- Review and Approval of 2007-2008 Annual Report
- Review of Agreed-Upon Procedures Report
- Review of Overhead
- Review of Energy Cost Savings
- Review of Bond List Revisions
- Review of Financial Reports
- Review of Program/Project Activity Reports

**September 9, 2008**
- Review of Solicitation and Appointment Process
- Review of Measure C Best Practices and Project Highlights
- Appointment of 2007-2008 Annual Report Committee
- Review of Financial Reports
- Review of Bond List Revisions
- Review of Overhead
- Website Activity Report

For the latest Citizens’ Bond Oversight Committee agendas, meeting minutes and meeting schedules please visit www.measurec.fhda.edu.

Committee Members

- **Ralph Adams** - Taxpayer Association
- **Phyllis Bismanovsky** - Member At Large
- **Dexter Dawes** - Business Organization
- **Carol Johnson** - Member At Large
- **James Sandstrom** - Senior Citizens’ Organization
- **Jim Walker** - Foothill-De Anza Auxiliary Organization
- **Sarah Wiehe** - Student Representative

Board of Trustees, 2008-2009

- **Betsy Bechtel**, President
- **Bruce Swenson**, Vice President
- **Hal Plotkin**
- **Laura Casas Frier**
- **Pearl Cheng**
- **Erica Anderson**, Foothill College Student Trustee
- **Isabelle Barrientos Vargas**, De Anza College Student Trustee

Chancellor

- **Martha J. Kanter** - Chancellor
- **Mike Brandy** - Interim Chancellor

On April 1, 2009, President Barack Obama nominated Martha J. Kanter as under secretary of education. Martha J. Kanter was sworn in July 1, 2009, as United States under secretary of education in Washington, D.C. Her nomination by President Barack Obama was confirmed June 19, 2009. On May 18, 2009, Trustees of the Foothill-De Anza Community College District appointed Mike Brandy, former district vice chancellor of business services, to serve as interim chancellor.

For additional information please visit the bond website at www.measurec.fhda.edu.

The Foothill-De Anza Community College District is committed to reducing environmental impacts through the increased use of post-consumer recycled materials.

This report was printed on FSC certified and 100% post-consumer waste paper.
The schedule of proceeds and use of general obligation bonds for the fiscal year ended June 30, 2009, was compiled by an independent third-party auditing firm as required by Proposition 39. The agreed-upon procedures engagement was performed by Perry-Smith LLP, Certified Public Accountants, in accordance with attestation standards established by the American Institute of Certified Public Accountants. The results of applying the agreed-upon procedures indicate that the expenses were for valid bond purposes. To view the complete independent accountant’s report, please visit www.measurec.fhda.edu.
Measure C Projects

Below is a small sampling of the many projects within Measure C. To see a complete list and additional detail on the status, expenditures and schedule of current and future Measure C bond projects, please visit www.measurec.fhda.edu.

**ERP Replacement (Educational Information System)**

Budget: $11,964,758 - Est. Completion Date: Fall, 2011

The new Educational Information System (EIS), a significant capital expenditure, will replace the district’s aging management information systems. The new system will greatly expand Foothill-De Anza’s capacity to effectively manage information. Students will be able to register for classes more easily and track their educational progress online while also providing the district with greater capacity and flexibility in managing student, financial and human resources information. Having an integrated information system will streamline internal operations and enhance online interactions with students, employees and the public. This new system should make it easier for all students to interact with the district and also enhance the teaching and learning environment.
Physical Sciences and Engineering Center
Budget: $60,015,002     Est. Completion Date: Summer, 2012

Provide modern laboratory and support spaces for chemistry, physics, nanotechnology and the Physical Sciences, Math and Engineering Division. The goal for this facility is to obtain a silver rating in the Leadership in Energy and Environmental Design (LEED) Green Building Rating System™.

Forum
Budget: $3,970,802     Substantial Completion Date: July, 2009

Renovate existing building with new HVAC system, electrical upgrades, smart classroom provisions, new seating and finishes. The largest lecture space on campus will be modernized with multimedia and technology to meet the needs of today’s learning environment.

Dental Hygiene / Radiology Renovation
Budget: $315,422     Substantial Completion Date: October, 2009

Renovation of Dental Hygiene and Radiology teaching labs in building 5300. Scope includes new flooring, new dental station cabinets, new vacuum pump system and new network cabling for dental chair monitors.

Install Photovoltaic Arrays - Campus-wide
Budget: $3,704,493     Substantial Completion Date: October, 2009

Install Photovoltaic Arrays - Campus-wide. Scope includes the installation new 414 kW photovoltaic system mounted on canopy support structures in parking lot 1-H.
**Mediated Learning Center**  
Budget: $53,983,516 - Est. Completion Date: Summer, 2012

Provide flexible general purpose classrooms and labs for increased instructional space and academic capacity for anthropology, sociology and world languages; technology resource area including broadcast media, film and TV, distance learning and staff development; and support spaces. The goal for this facility is to obtain a platinum rating in the Leadership in Energy and Environmental Design (LEED) Green Building Rating System™.

**S2- S6 Phase II - Utility Master Plan - Phase I**  
Budget: $11,182,905 - Est. Completion Date: Winter, 2011

Continue with Phase II of reconfiguration of the S-2 and S-6 Central Plant and construction of a new condenser plant. Scope includes: Upgrades to electrical infrastructure and distribution routing; Construction of remote condenser plant - cooling tower facility; and Improved electrical and HVAC services. Project phased to mitigate campus disruption.

**Auto Technology**  
Budget: $3,847,545 - Substantial Completion Date: November, 2009

Expansion and renovation of exiting auto technology facility. Scope includes: Addition of new teaching lab; New electrical distribution; New HVAC systems; New roof; New outdoor covered work area; and Improved ADA access.

**Install Photovoltaic Arrays - Campus Wide**  
Budget: $1,204,493 - Est. Completion Date: Fall, 2009

Install Photovoltaic Arrays - Campus Wide. Scope includes the new installation of a small PV system at Kirsch Environmental Studies Area and provide a PV canopy mounted system installed on Lot C. Environmental Studies students will actively participate in the design and construction phases of the Kirsch ESA project.
The Foothill-De Anza Citizens’ Bond Oversight Committee is pleased to report on the progress made in the two-year 2008-2009 fiscal years, which include an overview of key projects and financial summaries. The committee's deliberations can be viewed at www.measurec.fhda.edu.
Measure C Projects
