About Measure C

On June 6, 2006, voters in the district’s service area approved Measure C, a $490.8 million general obligation bond measure, which will enable the district to:

- Upgrade electrical, heating, ventilation systems, fire/medical safety;
- Repair leaky roofs;
- Improve disabled access;
- Repair/expand classrooms for nurses/paraprofessionals;
- Upgrade technology; and
- Repair, construct, acquire, equip buildings, classrooms, libraries, sites, science/computer labs.

The Citizens’ Bond Oversight Committee monitors Measure C expenditures under the rules established by Proposition 39, the Smaller Classes, Safer Schools and Enhanced Accountability Act, to ensure that all bond funds are spent exactly as promised and to ensure taxpayer safeguards and confidence.

For additional information please visit the bond website at http://www.measurefhdaha.edu.

The Foothill-De Anza Community College District is committed to reducing environmental impacts through the increased use of post-consumer recycled materials. This report was printed on FSC certified and 100% post-consumer recycled paper.

About the District

For more than 50 years, Foothill-De Anza has demonstrated excellence and innovation in academic programs and student services. As one of the largest community college districts in the United States, Foothill-De Anza provides credit classes for more than 45,000 students annually. The colleges are active members of the League of California Community Colleges, a national organization of leading two-year institutions.

Located in the heart of Silicon Valley, Foothill-De Anza serves the communities of Cupertino, Los Altos, Los Altos Hills, Mountain View, Palo Alto, most of Sunnyvale and portions of San Jose, Santa Clara and Saratoga.

Committee Members

James Sandstrom, Chair - Senior Citizens’ Organization
Carol Johnson, Vice Chair - Member At Large
Robert Lancefield - Taxpayer Association
Dudley G. Anderson - Member At Large
David Bergman - Business Organization
Anita Bhagat - Foothill-De Anza Auxiliary Organization
Sarah Wiehe - Student Representative

Board of Trustees, 2009-2010

Bruce Swenson, President
Pearl Cheng, Vice President
Jon Baran
Betty Bocelli
Laura Casas Frier
Etienne R. Bowie, Foothill College Student Trustee
Thomasaas Countess Russaw, De Anza Student Trustee

Chancellor

Linda M. Thor - Chancellor

Dr. Linda M. Thor is the sixth chancellor since the district’s founding in 1957. She succeeds Martha J. Kanter, who now serves as secretary of education in the administration of President Barack Obama.

- C-1: Secure Bicycle Storage for Students
- I: Install Photovoltaic Arrays - Campus-wide
- B-1: Central Campus Site Improvements
- A-1: Combined Site Improvements
- P-1: Integrated Classroom/Office/Science/Engineering Building and Environmental Center
- R: Building
- S: Swing Space

Annual Performance and Financial Audit

The California Proposition 39 requires annual performance and financial audits on use of general obligation bond proceeds. The performance and financial audits for the fiscal year ended June 30, 2010 were performed by an independent certified public accounting firm, Eyer-Smith LLP, in accordance with generally accepted auditing standards and governmental auditing standards, issued by the Comptroller General of the United States. The result of the audits is that the district expended the general obligation bond proceeds in accordance with the requirements of Proposition 39. To view the complete audit reports, please visit www.measurefhdaha.edu.

Completed Projects

- Renovate Existing Footbridge
- Dental Hygiene/Radiology Wing
- Environmental Impact Report
- Smithwick Theatre
- Auto Technology
- NEW
- NEW

(List includes financially complete projects, and projects available for occupancy.)
Measure C Projects

Below is a small sampling of the many projects within Measure C. To see a complete list and additional detail on the status, expenditures and schedule of current and future Measure C bond projects, please visit www.measurec.fhda.edu.

Baldwin Winery & East Cottage “Historic Renovation”
Budget: $6,162,531 - Est. Completion Date: November, 2011
Renovate former bookstore (Baldwin Winery) to house relocated Print Shop, Financial Aid, and College Services. Structural, HVAC and electrical needs will be addressed to accommodate programmatic needs. Roof will be replaced. Renovate historic East Cottage with a complete makeover from foundation to roof.

S2 - S6 Phase II - Utility Master Plan - Phase I
Budget: $14,682,447 - Est. Completion Date: November, 2010
Continue with Phase II of reconfiguration of the S2 and S6 Central Plant and construction of a new condenser plant. Scope includes: upgrades to electrical infrastructure and distribution routing; construction of remote condenser plant - cooling tower facility; and improved electrical and HVAC services. Project phased to minimize campus disruption.

Seminar Building & Multicultural Center
Budget: $6,295,789 - Est. Completion Date: January, 2011
Upgrade and modernize office space and classrooms, including upgrades of the interior: hazardous materials abatement; electrical, mechanical, and plumbing and telecommunications improvements; exterior painting and window and door replacements; ADA and Title 24 improvements; and tile roof repairs. The scope of work for the Multicultural Center will also include a new building entry and site landscaping and lighting.

Technology and Instructional Equipment
Budget: $43,426,509 - Est. Completion Date: July, 2023
These projects include items from the Information Technology Strategic Plan and individual program reviews from the departments, such as the refreshing of multi-media rooms.

Mediated Learning Center
Budget: $55,466,597 Est. Completion Date: August, 2012
Winner at the 2010 "Best Overall Sustainable Design" award at the 2010 Annual California Higher Education Sustainability Conference.

ERP Replacement (Educational Information System)
Budget: $11,964,758 Est. Completion Date: June, 2023
The new Educational Information System (EIS), a significant capital expenditure, replaces the district’s aging management information systems. The new Banner system greatly expands Foothill-De Anza's capacity to effectively manage information. Students are now able to register for classes more easily and track their educational progress online while also providing the district with greater capacity and flexibility in managing student, financial and human resources information. The following project accomplishments were made over the past fiscal year: The first payroll was successfully issued from Banner, ceasing operation of the legacy payroll system, Banner Financial Aid went live with the first paperless application for financial aid students. The system began accepting student applications from CCCApply, the online payment gateway.

Soccer and Softball Complex
Budget: $4,799,799 - Est. Completion Date: June, 2011
Complete rebuild of existing soccer and baseball fields; to include new artificial turf. Scope includes: new synthetic turf softball field; new natural turf soccer fields; new synthetic turf practice area for soccer and Futsal field; batting cages; home and visitor dugouts; and perimeter fencing and ball stops.

Modernization of Administration Building and General Classrooms (Bldgs. 1900, 5500 & 6400)
Budget: $7,673,572 - Est. Completion Date: June, 2011
Modernization interior partitions, interior finishes, interior window addition, patching exterior finishes, restoring interior and exterior finishes, casework, door and hardware replacement, ADA improvements, upgrades to mechanical, plumbing, electrical, fire alarm and telecommunication systems.

Technology and Instructional Equipment
Budget: $31,899,568 - Est. Completion Date: June, 2022
These projects include items from the Information Technology Strategic Plan and individual program reviews from the departments, such as the refreshing of multi-media rooms.

Install Photovoltaic Arrays - Campus Wide
Budget: $11,704,493 - Est. Completion Date: December, 2010
The project includes the installation of two new photovoltaic systems mounted on canopy support structures; 414 kilowatts of generation in parking lot 104, and 1,040 kilowatts in lots 2 and 3.

Physical Sciences and Engineering Center
Budget: $60,015,002 Est. Completion Date: October, 2012
Winner of the 2009 “Award of Merit” presented by the Community College Facility Coalition (CCFC).
